Thank you for your continued support of Portland's Singing Christmas Tree. We are looking forward to you joining us for another wonderful show this year. As you begin your Holiday Season celebrating Peace, Joy, Hope & Love with us, we continue to strive to make each year new and exciting.

After reflecting on comments we received from a survey we sent out to several thousand people this past January, we are building a show around what you, our audience, would love to see. The changes to the show this year are monumental. We are doing ZERO songs from last year's show. We have 13 brand new exciting numbers, along with show favorites dating back to 1999. The mix between our song selections are incredible and inspiring.

Katie Harman (2002 Miss America) will be joining us this year and she is very excited to be returning to the Keller Stage! Due to audience response, we will be featuring songs and costumes from the Victorian Era. Santa Claus will join his elves at the North Pole as they sing and celebrate getting ready for Christmas. We will weave a story line throughout the show that will make you laugh and will touch your heart.

Focusing on more choir specials throughout the performance, we are excited to sing many traditional Christmas favorites we know you will enjoy. You will not want to miss the newest song being written for us, "Christmas around the World", that will conclude the 1st half of our show. This new number will feature carols from different countries and will include our choir, soloists, our Youth Cast and the Jefferson Dancers.

After our new and inspiring Nativity, we will end the show with the beloved "Hallelujah Chorus."

If all of these exciting changes to the show are not enough reasons for you to join us, - ***we have lowered our ticket prices to ensure you will have wonderful seats at a price you can afford.*** We are also offering you \$5.00 off, per ticket, if you purchase your tickets before August 14th. Tickets may be purchased through our website, www.singingchristmastree.org or by calling our Box Office, 503-557-8733.

Book early to get the best seats and pricing.
